

Letter of Intent between The Hong Kong University of Science and Technology (HKUST) and the Higher Technological Education of Hidalgo

This Letter of Intent is made between The Hong Kong University of Science and Technology (HKUST), represented by its President, Professor Tony Chan, here and after "The Hong Kong University of Science and Technology" and the Common Space of Higher Technological Education of Hidalgo, here and after, the " ECEST-H" represented by Mr. Rolando Durán Rocha, Undersecretary of Upper Middle and Higher Education of Hidalgo, Mexico.

WHEREAS the aim of "The Hong Kong University of Science and Technology" and "the Ecest-H " is to establish a collaborative relationship in the field of higher education;

WHEREAS "The Hong Kong University of Science and Technology" and "Ecest-H" want to strengthen bond of friendship between both institutions; and

WHEREAS "The Hong Kong University of Science and Technology" and the "Ecest-H" aim to collaborate in the improvement of quality in higher education.

Therefore, the Parties do hereby agree to this Letter of Intent as follows:

FIRST. Implementation of Agreements: Each academic and training activity that is mentioned in this letter must have an Implementation Agreement elaborated by the appropriate administrative personnel and academic teams from both sides. The activities may include, but are not limited to: collaborative educational programs which are mutually beneficial; seminars, university courses, and specialized technical training and management; exchange programs for students, teachers and administrators aiming at teaching, research, and professional development; and cultural exchanges.

SECOND. Specific Proposal Collaboration: The activities of specific collaboration endorsed in this Letter by "The Hong Kong University of Science and Technology (HKUST) "in coordination with "Ecest-H " refer to the possible actions in which we would undertake in the areas of knowledge and technological transfer corresponding to research area, such as: Metal-mechanics, Logistics and Transportation, Information Technology, Energy and Agricultural Biotechnology.

THIRD. Commencement date: According to this Letter, the activities will be initiated by "The Hong Kong University of Science and Technology" in coordination with "Ecest-H". The details of each activity shall be agreed in writing by an Implementation Agreement, signed by the officials designated from each party. Any economic commitment, it must be defined by a specific agreement for each purpose at a later date.
